

# Comb

A deceptively simple design that puts a twist on a classic ladder style. Towels can be hung with ease thanks to the open ended design, while large tubes deliver impressive outputs.

Plus, for greater design freedom, Comb is available in a variety of finishes, including Polished and Satin stainless steel, as well as coloured steel models.

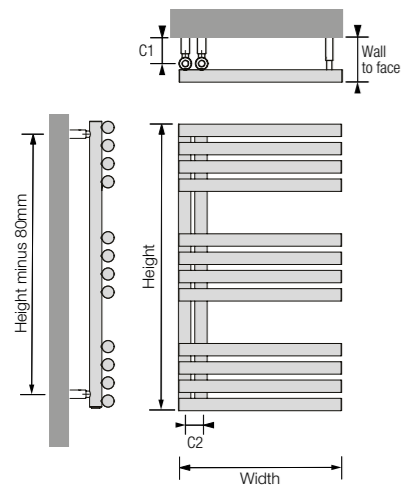

Shown here in Satin finish with a Twin angled manual satin valve

## Good to know

The Comb is reversible, so the vertical tubes can either be on the left or right side.
